

SC Public Service Commission

PO Drawer 11649

Columbia, SC 29211

Docket #2011-47-WS

I am writing in regard to a rate increase proposal for Carolina Water Service which I oppose. I have found this company very uncooperative in solving customer service issues and they already charge an extremely high rate for their services in relation to other water/sewer companies in other communities where I have lived. Thank you for monitoring this situation.
